## ENGAGE YOUR FAMILY

- Assign successors (*children, family, friends, advisors*) to continue advising grants past your lifetime.\*
- The Omaha Community Foundation's Family Foundation Services can help any family meet its charitable goals. With a fully-customizable list of services, your family is able to create the account that best suits their needs. Please consult the supplementary list of services to begin selecting your family foundation services today.

## GIVE WITH FLEXIBILITY

- You are eligible for a tax deduction upon receipt of your donation into the account.

## HOW YOUR PERSONAL GIFTS BECOME FOUNDATION GRANTS

## DONOR ADVISED FAMILY FUND FEES

The professional service fee for the Donor Advised Family Fund varies based on the services selected and the duration in which the family wishes to engage in those services. Omaha Community Foundation staff is happy to put together a fully-customizable cost estimate for your Donor Advised Family Fund based on the unique needs and preferences of your family.

## NOTES

- \* *The Omaha Community Foundation has exclusive legal control over the assets. Donor advised funds are established by donors for unrestricted charitable purposes with the donor, or persons designated by the donor, retaining the right, for a specific period of time, to offer recommendations to the Foundation regarding the recipients and amounts of grants from the fund. The recommendations of an advisor may not be binding on the Omaha Community Foundation, which must retain final authority to determine distributions from the fund. Accordingly, pledges of financial support cannot be honored and are not allowed. The right of a donor, or his or her designee, to offer advice is personal to that advisor and cannot be assigned or delegated beyond the limits set forth in the fund agreement.*
- \*\* *Individuals, donors, and advisors may not receive grants, loans, compensation, or similar payments or any goods or services directly or indirectly in exchange for a grant from the fund. This includes any grant that is comprised of a deductible portion and non-deductible portion (tickets and/or tables to fundraising events, memberships whereby the organization has indicated receipt of non-deductible value in exchange for the gift, athletic program donations, and charitable auctions in exchange for an item with a market value).*
- \*\*\* *Upon your death, resignation, or incapacity, if the account's net asset balance is less than \$1 million, one generation of your appointed successor advisors may continue to make grant recommendations from the account. If the account maintains a net asset balance of \$1 million or more, your successor advisors may continue to make grant recommendations from the account (and appoint following successor advisors) so long as the lineal descendants of the account founders remain active in the grant making process.*

## VARIANCE

*The Fund will be held and administered as a component fund of OCF subject to the power of OCF to modify any restriction or condition which becomes unnecessary, incapable of fulfillment, or inconsistent with the mission of OCF. OCF agrees that if the Board proposes to exercise the variance power under Article IV of OCF Articles of Incorporation, the Board will first notify the Nonprofit in writing of (1) its intent to exercise such power, and (2) the manner in which the OCF proposes to vary the purposes, uses, or methods of administration of the Fund. If OCF ceases to be a qualified charitable organization or if OCF proposes to dissolve, the assets of the Fund shall, after payment or making provision for payment of any liabilities or other amounts properly chargeable to the Fund, be distributed to the Nonprofit.*
