

# Endow Iowa

Help your charitable giving work even harder.

*As a result of the 25% Endow Iowa Tax Credit, generous donors have given more than \$75 million in permanently endowed gifts to improve communities throughout the state. And the program continues to offer tax incentives that make it easier for you to give for less. Which means giving through the Community Foundations of Southwest Iowa to the causes and community you care about is rewarding—in more ways than one.*

**It's better to give *and* receive.**

When you donate to a permanently endowed fund at a qualified community foundation, you're not only helping your neighbors today—you're building a stronger community tomorrow. And while that in itself is rewarding, with Endow Iowa, you'll also get back for giving. You'll be eligible to receive a 25% tax credit for each donation, in addition to any federal tax benefits you may qualify for.

This year, approximately \$4.5 million in Endow Iowa tax credits are set aside to distribute to those who make gifts to permanently endowed funds at a qualified community foundation. The credits are available on a statewide first-come, first-served basis. There's still time this year, so talk to your professional advisor today about how you can take advantage of this unique opportunity.
