FUND FOR OMAHA GRANTS

Since 2010

Does not include categories less than 2% of total grants.

2012 GREATEST NEEDS REQUESTS

In 2010, we started offering the Fund for Omaha's Greatest Need Grants as a way for us to be responsive to the most pressing needs in our community. Applicants identify their greatest need and propose a plan to address it.

These grants fall into three areas – program support, capacity building, or operating support.
