

LEGACY GIVING

Giving that lasts beyond your lifetime.

GIFTS BY WILL OR TRUST

Making provisions in your will or living trust is one of the easiest ways to make a future gift to our community and leave a meaningful legacy. You retain control and full use of your assets during your lifetime while still supporting the organizations that matter most to you. We will work with you to customize an account and ensure your intentions are carried out.

- The language used in a will or living trust that establishes your gift to the Omaha Community Foundation depends on your unique circumstances and charitable objectives. You may specify gifts in the form of cash, securities or other property.
- You may choose to donate a specific dollar amount, a percentage of your estate or the residual of your estate.
- Your estate will qualify for a charitable deduction for the full donation, so heirs will not pay estate tax on these assets.
- Our professionals will help you to determine the right account at the Omaha Community Foundation that supports your will or living trust and overall intent of the gift.
