

## Omaha Gives! 2017 Challenge Funds

Prizes make gifts go further through Omaha Gives!, but here’s an opportunity to take the fundraising even further! Nonprofits may raise additional dollars specific to their organization at its sole discretion and effort – (“Challenge Funds”) – which will be reflected on the organization’s profile on omahagives.org. By providing a Challenge Funds to support your favorite nonprofit, you give the community more reason to get excited about giving during Omaha Gives!

**THE CHALLENGE FUNDS FORM MUST BE SUBMITTED BY MAY 1<sup>ST</sup>.**

### How Challenge Funds work:

1. Nonprofits are eligible to promote **one** Challenge Fund incentive on their profile during Omaha Gives!. However, multiple donors can contribute to the Challenge Fund.
2. The minimum amount of the Challenge Fund is \$1,000. Your organization can have more than one source of funds to reach the minimum amount. If your organization raises less than \$1,000, it can be given directly through [www.omahagives.org](http://www.omahagives.org) during the event, rather than used as Challenge Funds.
3. The availability of these funds will be promoted on your organization’s Omaha Gives! profile and designated with an icon on the nonprofit search page.
4. Challenge Funds must be coordinated by the nonprofit and donor(s). The funds will be given directly to the nonprofit and will not go through the online platform ([www.omahagives.org](http://www.omahagives.org)) or the Omaha Community Foundation. The Omaha Community Foundation does not serve as a facilitator in this process.
5. Challenge Funds must be verified by the Omaha Community Foundation before the incentive will be represented on your organization’s Omaha Gives! profile. To verify Challenge Funds, complete this form. ***This signed document must be submitted through our online platform. Documents submitted via mail or email will not be accepted.***
