

Omaha Community  
Foundation

Let good grow.

# 2016 GIVING REPORT

*As we reflect on the success of 2016 and look ahead, we are grateful for the collective efforts of all who helped cultivate generosity this year.*

This year our donors gave 11,000 grants—a record!—to 2,349 nonprofits. And we opened 154 new donor accounts, which helps further expand our reach. With more than \$1 billion in assets, we are now the 15th largest community foundation in the country, according to CF Insights.

While these numbers are impressive, our biggest successes are reflected in the relationships we continue to build across our community.

In 2016, we worked to deepen our impact throughout the region. We launched The Landscape, a community indicator project that uses publicly available data to gage how the Omaha metro is faring in six areas community life. This project reaffirms our commitment to meeting the community's greatest needs, while expanding the breadth and depth of knowledge we offer.

The Landscape is a space where each of us can dig deeper and learn about this community beyond our own unique experience; our hope is that this project helps inform our own work, and the efforts of our many partners and collaborators across the Omaha-Council Bluffs region.

Each and every day these partners—our board, staff, the area's nonprofit sector, and our family of donors—are driven to make this community a better place for all. Together we seek to inspire philanthropy that's both big and small—whether it's a new \$10 donation given during Omaha Gives!, a leader influenced through our Nonprofit Capacity Building Program, or a donor that witnesses the tangible impact of their substantial gift.

Since our founding in 1982, more than \$1.5 billion has been granted to nonprofits on behalf of our 1,500-plus donors. As a result of this collective enthusiasm around giving, we can look to the future of our community with optimism. We know there is more good to be uncovered, and we're excited to continue this important work together.

## WHAT WE DO

**Nonprofits:** We strengthen nonprofits through our nonprofit capacity building and grant programs.

**Community:** We bring the community together around giving through Omaha Gives! and The Landscape.

**Cultivating Generosity:** We expand giving opportunities for donors through charitable account services, legacy giving and donor resources.
