

Grow your company's impact.

A Corporate Fund inspires a culture of giving within your company by infusing philanthropy into team culture and building positive relationships throughout the community.

What is a Corporate Fund?

A Corporate Fund provides a competitive advantage with tax benefits. With a goal of maximizing your corporate giving efforts, the Omaha Community Foundation works to craft effective tools and programs that align with your company's mission and goals, and ultimately maximizes corporate giving efforts. Offering the benefits of a private foundation without the added administrative responsibility and expense, this fund type allows you to direct grants of \$100 or more to any local or national 501(c)(3) public charity.
