

## Investment options and returns.

---

### Donor investment program.

Donors have the option of recommending a preferred investment program for the funds they choose to establish at the Omaha Community Foundation. However, all donor investment program recommendations are subject to approval by the Foundation, as we retain exclusive legal control over the assets donated into funds and their ongoing investment and ultimate charitable use. Foundation investments are overseen by the Finance Committee and the Investment Sub-Committee.

### Investment performance reports.

Investment performance will be reported on quarterly fund statements. Investment gains and losses will be assessed proportionately against your Fund. Investment fees, including embedded mutual fund fees or fees associated with independent management, are passed through and assessed against your Fund. If desired, donors may recommend a change in a fund's current investment program once a year.

Available to Donor Advised  
Funds of \$50,000 or more.

This program allows donors with funds of \$50,000 or more to advise the funds to be invested in one of the four following Well Fargo Managed Allocation Portfolios. These portfolios include tactical asset allocation (TAA) through which Wells Fargo seeks to shift assets toward under-valued classes within a pre-specified range of the target allocation.

- Moderate Income: 20% equity, 80% fixed income
- Conservative Growth & Income: 35% equity, 65% fixed income
- Aggressive Growth & Income: 60% equity, 40% fixed income
- Moderate Growth: 80% equity, 20% fixed income

**Investment Program 3:  
Recommend independent  
management.**

Available to Donor Advised  
Funds of \$500,000 or more.

This program allows donors with funds of \$500,000 or more to recommend the Foundation consider independent investment management for an individual fund.

All recommendations for use of an independent investment manager must be submitted in writing.

**Investment Program 4:  
Capital preservation.**

Available to Donor Advised,  
Designated, Field of Interest,  
and Agency Funds.

Funds in Program 4 are currently commingled in the Foundation’s capital preservation portfolio.

The Foundation’s capital preservation portfolio has a target allocation of 95% money market, 5% cash.
